

Integration and Inclusion for Children with Medical Conditions in School

A Conference for Professionals working with Children with Physical and Mental Health Needs

What is the educational experience like for a child with a medical condition?

Why is it so important to get our support right?

How can we work together most effectively to promote inclusion and integration?

What practical interventions can we put in place to support these vulnerable pupils in school?

Speakers including:

Prof Mina Fazel, University of Oxford:

Evidence-based interventions in schools

Dr Konrad Jacobs, Oxford University Hospitals NHS FT:

Persistent Physical Symptoms– Getting it Right

Dr Dimitri Gavriloff, Medical Needs Inreach Project (Chair)

Examples of Innovative Practice in Oxfordshire
