

PE and Sport Premium

As a registered community special Hospital School we are not in receipt of PE and Sport Premium.

PE and Sport Premium is funded by the Department for Education, with the purpose of enabling schools to increase physical education, active lifestyles and sports for all primary school pupils. As the Oxfordshire Hospital School (OHS) does not have a school roll, the annual return from which the PE and Sport Premium is calculated is not applicable.

Whilst registered with the OHS, pupils remain the responsibility of their enrolled school who will receive all additional funding including all money allocated for PE and Sport Premium.

A Bespoke Curriculum

The OHS views all its pupils as individuals and tailors learning programmes accordingly to meet their needs. The curriculum offer is monitored carefully by the Senior Leadership Team. Our teaching methods allow us to respond rapidly where necessary. PE remains an integral part of the school's curriculum.

All pupils receive a high quality education that meets their needs well.
