

Maths Puzzle Takeaway

Starter:

Can you solve the riddles?

Can you work out how many conkers are in each bag?

Main Course:

Use your mathematical skills to work out the mystery puzzle. You will have several different clues to solve and can cross off the suspects as you go. Let us know how you get on and who you think the baddie is!

Dessert:

Look at the telephone activity and complete. You could also try this with the 6 numbers in your birth date (eg. 28/06/13).

We would love to know how you get on so do send pictures of your work or email us the answers you get.
