

## **OXFORDSHIRE HOSPITAL SCHOOL** **CURRICULUM STATEMENT**

Date: November 17  
Review date: November 18

The school curriculum is bespoke and programmes are crafted to meet individual needs. This demands a totally flexible and adaptable approach to teaching and learning from all involved. Each curriculum offer is planned in consultation with the student's home school and parent/carer involvement is also fostered. Importantly, our students are encouraged to be actively involved in planning their learning.

We aspire to excellence and are mindful of the importance of:

- feeling safe and secure
- social and emotional wellbeing
- self-esteem and self-worth
- reintegrating back to school or to another educational setting as seamlessly as possible

We aim to engage students in their own learning and maximising their potential while maintaining a belief in Every Child Matters (ECM):

- stay safe
- be healthy
- enjoy and achieve
- make a positive contribution
- achieve economic well-being

Throughout Early Years Foundation Stage to Key Stage 5, we aim to provide a broad and balanced curriculum within the framework and strategies of the National Curriculum.

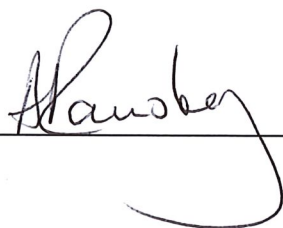

Alongside the core subjects of Maths, English and Science, we aim to support the full range of additional foundation subjects. Music, Values based Personal, Health and Social Education, Physical Education, Information Technology, Careers Information Advice and Guidance (CIAG) and our Personal Development Curriculum offer additional pathways and opportunities to explore and develop a wider range of skills and competencies.

Additionally, the school is a registered examinations centre and we offer a diverse range of accredited awards such as A level and GCSE examinations, AQA unit awards and Arts Mark.

Regular links with external partners provide an exciting and vibrant curriculum enrichment offer. Current partners include Oxford Museums, County Music Service, Read for Good, Community Albums, a scientist (Dr Lizzie Burns) and an artist (Dionne Freeman) in residence.
